George Washington

What happened in the Battle of Trenton

Where? :In Trenton New Jersey.

When? :The battle took place on the morning of December 26, 1776.

What? :George Washington attacked the British and Hessian forces at Trenton out of The Battle of Trenton took place desperation.

Who won? : The battle of Trenton was won by the American forces.

Why? :In the war the British and American forces fought because they were fighting over the colonies.

George Washington was a very popular man and had many accomplishments. The most common one is being the first president. He was also a very good farmer and commander. He is also the person on the dollar bill and was the leader of the Revolutionary War. George also helped establish the government and the first ten amendments and signed many bills and treaties.

George Washington sadly died on December 14, 1799. He went for a ride on his horse, supervising the farming activities, and there was rain, snow and hail while he was outside. He then came home and it was suggested that he change out of his wet clothes, but he decided to stay in the damp clothes. Then the next day he had a sore throat and it got worse though the day. Then that night he woke up and in the morning he called for the doctor. He sadly died in-between ten and eleven at night. He was not buried until three days later.

George Washington is on the colonist side because in June 1775 he was part of the Continental Army and lead the troops. He was the commander. He lead the troops to victory! He played a big role in leading the country to freedom. He was a colonist himself and did the best he could for the country.

The battle of Trenton started by George Washington attacking the British. The American forces won the battle of Trenton.

George Washington was an amazing man

Washington leading his troops into battle

Washington crossing Delaware river

George Washington Quotes

“Three things prompt Men to a regular discharge of their Duty in time of Action, Natural bravery—hope of reward—and fear of punishment,” Washington

“Let us therefore rely upon the goodness of the Cause, and the aid of the supreme Being, in whose hands Victory is, to animate and encourage us to great and noble Actions—The Eyes of all our Countrymen are now upon us, “Washington

“Our only dependence now, is upon the Speedy Enlistment of a New Army; if this fails us, I think the game will be pretty well up, “Washington
